

The Global Nutrition Report seeks new Host

An exciting opportunity has arisen for an organisation to host the [Global Nutrition Report](#) (GNR) – a world-leading, multi-stakeholder accountability initiative aimed at strengthening action to end malnutrition. The [GNR invites expressions of interest](#) from eligible non-profit organisations with prior experience in hosting independent initiatives in the global development sector.

The GNR is the world's leading independent assessment of the state of global nutrition and it is the official accountability mechanism for the [Nutrition for Growth \(N4G\) Summits](#). The GNR's main outputs include a biennial flagship [report](#), the [Nutrition Accountability Framework](#) (NAF), [commitment tracking](#), thought-leadership pieces and interactive [Country Nutrition Profiles](#). These outputs are supported by donors including the European Commission (EC), the Bill & Melinda Gates Foundation, and the governments of Canada, Ireland, Germany, the UK and the US, among others.

The GNR is comprised of:

- An [Independent Expert Group](#) (IEG) whose primary role is to develop and deliver independent, rigorous and policy-relevant products, aligned with the GNR's strategic vision and mission;
- A [Stakeholder Group](#) (SG) whose primary role is to ensure that the GNR's strategic approach and governance maximise the policy relevance of GNR products and enable the achievement of its strategic vision and mission;
- The Host, whose primary roles are to provide a legal entity for the GNR, support delivery by the IEG, fundraise and ensure accountability to donors.

In addition to the provision of services related to legal ownership, financial management and grant management, the Host will provide technical support to facilitate:

- Programme and project management
- Research and analysis
- Engagement and partnerships
- Editorial and publications
- Communications
- Monitoring, evaluation, impact and learning (MEIL)

- Website management

Organisations who wish to express interest should submit the information requested in the [call for expressions of interest](#) by 8am GMT, 15 January 2023 to contact@globalnutritionreport.org. Clarifying questions can be sent to the same email address. Submissions received after this date or incomplete submissions will not be accepted. Responses will not be confidential except in cases where proprietary information is involved.

On 11 January 2023 the [call for expressions of interest](#) was updated to include questions & responses related to hosting the Global Nutrition Report.
