

Declaration of Interest Summary – GNR Independent Expert Group

Member: Dr Jason Wu

Duration: 15 April 2018 to 15 April 2021

Dr Wu reports current research funding from the Australian National Health and Medical Research Council and NielsenIQ Australia to evaluate food product reformulation efforts in Australia (e.g., to reduce added sugar and sodium). The funding pays for the research team's salaries; Dr Wu does not personally receive any payment from it, salary or otherwise, and the project does not generate revenue. The team receives an additional contribution from NielsenIQ in the form of free access to their proprietary consumer shopping panel dataset.
