

## Declaration of Interest Summary – GNR Independent Expert Group

**Chair: Dr Renata Micha**

**Duration: 1 April 2019 to 1 April 2022**

***Current:***

None.

***Past:***

Dr Micha received research funding from the US National Institutes of Health to evaluate the cost-effectiveness of nutrition policies in the US. She additionally received research funding from the Bill & Melinda Gates Foundation to support the development of the Global Dietary Database, and specifically efforts to harmonise dietary datasets worldwide. Dr Micha also received research funding from Nestlé to evaluate indices for assessing carbohydrate quality among carbohydrate-rich products in the US. Lastly, she received research funding from the US National Institutes of Health and Danone to develop a comprehensive and evidence-based nutrient profiling system.

The above funding agencies did not contribute to design or conduct of the research; collection, management, analysis, or interpretation of the data; preparation, review, or approval of any resulting manuscripts; or decision to submit any given manuscript for publication.
