

## **Declaration of Interests Summary – GNR Independent Expert Group**

**Member: Professor Uma Koirala**

**Duration: 15 April 2019 to 15 April 2022**

Professor Koirala is currently working at Tribhuvan University, Nepal, on a gender studies programme and receives financial remuneration for this role. Between February and April 2021, Professor Koirala spent 50 working days in a paid position as National Consultant for the Global Food System Assessment. This is an EU-funded study, facilitated by FAO and CIRAD, to support the Government of Nepal in identifying issues to raise during the Food Summit 2021. Similarly, she worked in a paid position as national consultant to carry out the final evaluation of the EU-funded Partnership for the Good Nutrition Project implemented by UNICEF under the multisector Nutrition Plan of the Government of Nepal for 30 working days between May–June 2021. Professor Koirala has been Chair of the Civil Society Network for Nutrition Nepal since March 2014. Since 2015, she has also been a member of the Scientific Committee for Follow-up of Severe Acute Malnutrition (FUSAM) of ACF Nepal, and of the Technical Advisory Committee, Nutrition CRSP, Nepal. Additionally, Professor Koirala is a Board Member of the Food Security and Nutrition Coordination Committee, National Planning Commission, Government of Nepal.
