## Actions

1. Finalised proposal for GNR 2023 - 2025 delivery will be shared with IEG by end of April. IEG members had already provided feedback ahead of the meeting but were also asked to share any further ideas and suggestions for content or for specific analysis.

Noting this is the last IEG meeting with the present Host.

## Agenda

### 1. Opening/objective

- The Chair outlined the objective of the meeting - to gather IEG feedback on GNR 2023-25 delivery plans

### 2. 2023 – 2025 GNR delivery

#### GNR 2024

- A brainstorm session focused on content for the next Report, due to be published in 2024

#### NAF

- The IEG discussed how the NAF could be strengthened/ expanded in 2023 - 2025

#### Ad hoc leadership pieces

- The IEG discussed potential ad hoc leadership pieces for 2023-25 and how these could be prioritised/timed

#### N4G Tracker

- The IEG discussed how the N4G tracker data could be utilised in the future, including if relevant/ feasible to merge with the NAF commitment tracker.

### 3. Content updates

- A commitment verification protocol is in place to contact the different stakeholders to ask for clarifications which will lead to improvement of the Smartness of commitments.
- The progress reporting survey and online platform will be in place and ready for handover to the new Host.

#### **4. Transition updates**

- Host transition is underway, and the transition timetable was outlined. If selected, a new Host should be appointed on 20<sup>th</sup> March. An immediate priority for the new Host is fundraising since no funds can be carried over from the current Host
- No further IEG meetings have been scheduled as that will administratively fall to the new Host once in place.

#### **5. Outreach**

- Activities were outlined and are planned throughout Host transition

#### **6. Close and AOB**

- Noted today's meeting is the last IEG meeting with DI as Host
